

October 30, 2023

Dear Members and Friends of Dennis Union Church

Our stewardship theme this year is *Bread and Cup to Faith and Giving*. When we gather at the table to receive the gifts of God through bread and cup it reminds us that we are the body of Christ in the world. As such we also renew our commitment to faithful discipleship and to good stewardship practices.

Thanks to all of you, Dennis Union Church continues to be a growing church full of life and energy, with a dynamic presence in our community. We are blessed with inspiring Sunday services, an Open and Affirming Covenant, an active Christian Education/Youth program, a vibrant music program, an opportunity to work on activities out in the community, and participation in the Annual Auction and Bazaar. Together we celebrate and respond to God's generosity to us with our gratitude and gifts. "As each has received a gift, use it to serve one another as good stewards of God's varied grace..." (I Peter 4:10).

In this Stewardship season, we ask that you prayerfully consider your 2024 pledge, and as you are able, help us to support the many ministries of this church. Know that through your pledge you will change many lives and help to meet our church's rising operating expenses.

To assist you as you consider your pledge you will find valuable information included with this letter regarding the funding of our Church ministries, a snapshot of the pledge ranges over the past five years, and your pledge card. Your gift matters and enables us to honor the rich history and bright future of this beloved place that means so much to all of us, Dennis Union Church. We thank you in advance for your faithful generosity.

With Gratitude,

Your Stewardship Committee
